

ConnectEd Partnership NQT Appropriate Body Induction and Support

ConnectEd Partnership is an Appropriate Body for the professional induction of newly qualified teachers.

Through our team of specialist leaders for NQT induction and experienced practitioners, ConnectEd Partnership will perform the statutory requirement for the induction period of NQTs on behalf of member schools and ensure quality of this induction provision. As the Appropriate Body our service includes the administration, quality assurance and supporting and monitoring of NQTs. Schools can be guaranteed of an exceptional, responsive service from a named point of contact and a dedicated team of school leaders designated to provide a professional and personal service to school leaders, NQTs and induction tutors.

(This service is at no additional charge to member schools)

What is involved? What to expect?

- ◆ Timely registration of NQTs with National College
- ◆ Welcome / Introductory session
- ◆ Mentor training at the start of the year with ongoing support on any issues concerning the induction process
- ◆ Termly scrutiny and moderation of assessment forms by the NQT team for Quality Assurance purposes
- ◆ Immediate communication with the induction tutor of an NQT causing concerns to discuss issues and offer solutions on how to resolve them
- ◆ Maintenance of records and assessments using a sophisticated on line portal
- ◆ Access to an on line system for NQT registration and completion of termly assessments, meeting notes and supporting evidence documents all through a secure, password protected portal

Additional Support

For those NQTs who need a higher level of support or a more personalised approach we are able to provide additional services at a cost which includes:

- ◆ Individual personalised support and guidance
- ◆ Bespoke training programme delivered in house
- ◆ Evaluation visit and/or lesson observations
