

Higher Level Teaching Assistant (HLTA) Status

94%
of our HLTA graduates would **recommend us to a colleague**

91%
of senior leadership identified **positive impacts on pupil performance** from having an HLTA

73%
of senior leaders say that having a qualified HLTA has **reduced teacher workload**

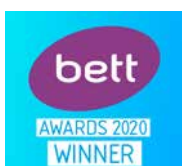

HLTA Status provides **confidence, capability, and credibility** to carry out advanced roles in teaching and learning

Available locally through our national network of school partners

Apply by 17th July for an autumn start

Winner: 'Education Company of the Year' at the 2020 Bett Awards

Best Practice Network (BPN) has successfully prepared and assessed more than 10,000 HLTAs

The two day preparation for assessment programme:

- explains and explores the HLTA standards, making clear links to school policy and practice
- provides clear guidance on how to complete written tasks and compile a portfolio of evidence
- offers formative feedback on the development of tasks and portfolio
- prepares candidates for their meetings with an assessor
- is supported by engaging online activities to check understanding between preparation sessions.

“The confidence boost and professional development I have gained as an HLTA with Best Practice Network has enabled me to take on more important roles within the school.”

– HLTA Graduate, 2019

SPECIAL OFFER

Colleagues who apply before the 17th July will receive **12 months free access** to the ‘Teaching Toolkit’ from our online CPD platform – **The School Suite**.

This excellent resource contains 6 CPD modules, each with 6 hours of practical content and resources.
