

Rainbow Hour Active Challenge

Put your school on the map!

On Human Rights Day 2020 (December 10th), your school has the chance to be part of a historic global event! We've teamed up with One Run to invite schools across the Black Country to take part in One Run Global for FREE - join thousands of others from 195 countries as you run, walk and move to unite the globe.

What do you have to do?

If your school hasn't yet pledged to the Black Country Rainbow Hour please do so [here](#). Don't forget to log your activity on your [Rainbow Hour Tracker](#).

#1 - Add One Run to your Rainbow Hour

Simply visit [One Run Schools](#) to register your school for FREE.

#2 - Put your school on the map

Next, One Run will add your school to the [Live Map](#).

#3 - Take part on Human Rights Day (Dec 10th)

You can complete your One Run Rainbow Hour at any time during the day so find a good time for your school on December 10th. Whether at the start of the school day, during lessons or at lunchtime whenever is best for you! Every student will get a free certificate to print and put somewhere special.

Thank you!
