

We are excited to welcome a new partner to ConnectEd

During the Easter holidays our young people and their families can sign up for this new exciting physical activity that will help make you *happy* and give good *Vibes*.

There will be six sessions over two weeks: Monday, Tuesday, Thursday each week.

We take great pleasure in introducing

Bhangra *Vibes*.

After Easter our young people will be invited to join a weekly **Bhangra Vibe** club virtually.

We will be looking for a school to host Bhangra Express in the coming months.

Registration for this will be available very soon!
